SU26-FE-W
It is important to take risk in both their professional and personal lives. Do you think the advantages of taking risks outweigh the disadvantages?

SP26-FE-W
In several countries, a growing number of young people are opting to work from home rather than going to the office. Do the advantages of this trend outweigh the disadvantages?

SP26-RE-W
Many people believe that good planning is the key factor to success in life, while hard work and supportive relationships are important.
Discuss both views and give your opinion.

FA25-FE-W
Some people think that a university degree leads to better job opportunities and higher income, others think that getting a job right after high school leads to quicker financial independence.
Discuss both views and give your opinion.

SU25-FE-W
The advancement of Internet technology means people do not need to travel to foreign countries to understand how people in other places live.
To what extent do you agree or disagree?

SP25-FE-W
The growing presence of Western fast food chains has changed local eating habits and culinary traditions. Nevertheless, measures can be taken to counter this impact and encourage the preservation of traditional diets.
Write an essay (350-400 words) explaining the causes behind the spread of Western fast food and suggesting solutions that help preserve and promote local culinary traditions.

SP25-RE-W
University rankings frequently influence where students choose to apply and enroll. However, they may not always be the best indicator of academic quality.
Write an essay (350-400 words) discussing how university rankings affect student's application and enrollment choices, and whether they can be considered a reliable measure of academic quality.
